2015
Annual Conference
*'The Second Chance
– World Creating
(a working title)'*

Friday, 13th March – Sunday, 15th March

*'To us it is given
At no stage ever to rest.
They live and they strive the active
Human beings from life unto life
As plants grow from springtime
To springtime – ever aloft,
Through error upward to truth,
Through fetters upward to freedom,
Through illness and death
Upward to beauty, to health and to life.'*

(Rudolf Steiner – In response to Hölderlin's 'Song of Destiny')

Given by Rudolf Steiner to Ita Wegman

*We are a bridge
between our past
and future existence;
the present a moment,
the moment as bridge.*

*Spirit grown soul
in matter's enveloping sheath comes from the past;
soul growing to spirit
in germinal spheres
is our future path.*

*Take hold of the future through the past,
hope for what's coming through what became.*

*So grasp existence
through growth;
so grasp what's growing
in what exists.*

*I expect to pass through this world but once.
Any good therefore that I can do,
or any kindness or abilities that
I can show to any fellow creature, let me do it now.
Let me not defer it or neglect it,
for I shall not pass this way again.'*
