

Towards Intuitive Thinking and Selfless Loving Actions

ASSA Annual Conference

at Sophia House Cape Town

2019 29th to 31 March
Friday evening to Sunday

Every human being, irrespective of where they find themselves on Earth today, faces an escalation of violence, a breakdown in relationship with Self and others, depression, trauma, lies, fear, natural disasters, to name but a few of our modern-day trials.

How can we learn to participate more deeply in the 'New Mysteries' - where in the meeting of two or more, Intuitive Thinking and Selfless Loving Actions arise?

How can we prepare for these encounters to happen anywhere and at any time, and take a more active role in the healing and facilitation of the earth and humanity's future evolving?
